SOLID WASTE MANAGEMENT

September 23, 1997

Fort Wayne Common Council

Attached you will find a RESOLUTION requesting that the Board of Public Works through its Solid Waste Department initiate a procedure to extend the Green Waste collection time frame for 1997. The extension would add six (6) weeks to the existing season. The present contract ends on October 17, 1997. The extension would continue the collection period through November 29, 1997.

USA Waste has submitted a proposal outlining a BI-weekly and a weekly pick-up for the extended season. Their proposal is \$94.12 per ton for the BI-weekly period and \$138.63 for the weekly collection. In 1996 the extended collection period generated 682 tons of green waste. Using 1996 tonnage's the minimum cost for 1997 would be \$64,189.00 for BI-weekly and \$94,545.00 for weekly. (Note: the 1997 annexations added 400 residences to the 1996 base.)

If the BI-weekly system were decided to be the most effective the collection would coincide with the recycle collection system.

Respectfully Submitted,

Thomas E. Loraine, CHMM
Solid Waste Manager
